Cockfields Farm Nursery Trip

The children were amazing! They enjoyed taking part in all of the activities and sharing their knowledge of animals at the farm. Children also asked some brilliant questions about the animals.

We went for a walk around the pond and saw a range of birds, we even got to see some baby ducks! We went on the tractor for a ride around the farm which we loved. Children went to see some reptiles and smaller animals such as rabbits and guinea pigs and had an opportunity to stroke them. We had an opportunity to feed the larger animals which had us in lots of giggles. Children planted their own seeds which we will send home with them today. Finally, we had a little play in their outdoor area which was lots of fun :)

The farm staff were very impressed. Children modelled their super manners and thanked the farm staff and our coach drivers.

A huge thank you to all of our parent volunteers who were able to join us. You were all fantastic.

Thank you for supporting in us having a wonderful day.

Thank you,

Miss Duckett, Miss Hampson and Miss Jones
